If you have a specific race time that you would like to aim for, we have race pacemakers to help you achieve your goal. You will find them at the start line advertising their estimated race time on poles i.e., 50 mins, 55 min 60mins etc. We will be letting all sub 45 min runners go first then sub 50 then sub 60 and finally over the hour going last, the race is chip timed so it does not matter when you cross the line you will get your exact race time. You will note the large yellow arrows and k markers directing you around the course along with our marshals who are very vocal and encouraging and best of all will supply you with much needed jelly babies and bottled water.
